Make sure to come out and join in the hands-on learning experience!!!

Our Goals

The Mifflin County Science and Technology Fair has several goals;

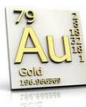

- To increase the involvement of Mifflin County's youth, families, schools, clubs and local community in science and technology.
- To increase the number of Mifflin County youth pursuing advanced degrees, employment and entrepreneurial activity in science, engineering, medicine, computer sciences and mathematics.
- To help ensure future competitiveness in science and technology for Mifflin County and Mifflin County businesses.
- To involve businesses and organizations in a partnership to increase and sustain the local youths' interests in science and technology now and into their future endeavors.

How to be involved- Financial Sponsorship: The Mifflin County Science and Technology Fair is completely dependent on sponsorships and contributions from businesses, organizations, and individuals in the area to cover event expenses as well as providing prize money and gifts for the youth participants. Support can be given by filling out the accompanying gift/pledge form and returning it by way of mail.
